## **RETURN TO IN-PERSON LEARNING**

- ❖ Following the new guidelines and data from VDH and VDOE, Lexington City Schools will return to in-person learning for those who have elected to return to in-person on **Monday, February 1st**.
- ❖ In-person learners will attend school 4 days/week, Monday-Thursday with Friday designated as an at-home learning day. Virtual students will follow the school schedule communicated for each student.
- ❖ **Waddell Elementary School:** Students may arrive at school after 8:00AM daily. School hours are 8:15AM-2:35PM for grades 3-5 and 8:15AM-2:45PM for grades K-2.
- ❖ **Lylburn Downing Middle School:** Students may arrive at school daily after 8:15AM. School hours are 8:30AM-3:00PM for grades 6-8 with some students dismissing at 2:04PM based on class schedules.
- ❖ Band students will receive scheduling information from Mrs. Rader or Mrs. Doyle.
- ❖ All students should complete the daily health screening at home before arriving at school each day. If your student is exhibiting any symptoms of illness, please keep him/her at home and contact Nurse Brittney Campbell at 463-5353.
- ❖ All students and staff should wear a mask to school daily. Please pack an extra mask and water bottle for your student each day.
- ❖ School meals information is available on the division website. Virtual learners may pick up meals each day from 11:45AM-12:15PM at either school. Weekly orders are placed online between 3PM Friday and 8:30AM Monday.
- ❖ LCS shuttle services are limited due to distancing requirements. If you have previously been approved to ride the bus by Mr. White, you are still approved. Please contact Mr. White ASAP at (540) 463-7146 if you have no other means of transportation and would like to request a spot.
- ❖ Additional details will be sent home from your student's principal and teachers. Please contact your student's school with any questions.
- ❖ As we have previously noted this year, parents should be prepared with alternate arrangements in the event of a temporary shift to virtual learning due to high numbers of school cases or staffing difficulties. Thank you for your cooperation and support during this school year!
